

Christian Munoz

DESIGNER

(832) 686-5008 | chrismunozdesign@gmail.com | chrismunozdesign.github.io

PROFESSIONAL SUMMARY

Designer with hands-on experience producing work at a scale; social content that's reached over 1.7M+ audiences and contributing to \$30k+ in revenue-driving collateral. Skilled in high-volume production, multi-department operations, and delivering accurate work under tight deadlines.

EXPERIENCE

Graphic Design Intern

Houston City College | February 2026 - present

- Designing for large-scale campus events, including an AI Symposium featuring Google, Intel, and Nvidia.
- Producing digital presentations, speaker materials, flyers, agendas, and displays for events across departments.
- Handling urgent requests with an hour turnaround while keeping my other work queue moving.
- Attentive in cross-training and marketing meetings to assist on how to better HCC's communication strategy.

Design Intern

Bookstr | December 2025 - present

- Built reusable layout templates for social media, reducing my own production time by 30% on recurring formats.
- Running multiple concurrent projects at once: book recommendations, graphics, interviews, and any design needs.
- Incorporating supervisor feedback across revisions to meet a professional publishing standard.
- Producing social media content for an audience of over 1.7 million across Bookstr's social platform.

Creative Design Intern

Dividend Management | September 2025 - December 2025

- Organized digital file systems and project documentation to keep team assets accessible across departments.
- Designed pitch decks, marketing collateral, merchandise, and creative assets for the music and gaming roster.
- Accelerated production through a proper cross-application workflow in Adobe Creative Suite, WordPress, and Figma.
- Collaborated on roster websites and updates using WordPress and Figma, contributing to end-to-end delivery.

Multimedia Artist

Freelance | January 2024 - December 2025

- Handled end-to-end production within a small team that generated \$36,000 in revenue through a single magazine issue.
- Maintained print production standards for myself and others in our vector and illustration work for printing.
- Created promotional material and merchandise from banners and digital ads to keychains and stands.
